16/02/2017	Lynch Nettleton	Terry Jacqui	Clinical Lead for Stroke Stroke Programme Director	HMS CCG	February 2017-June 2017	Applying to accept - benefit to CCG	Hospitality	£501-£1000	GP CCG Staff	The Kent Surrey and Sussex Academic Science Network (KSS AHSN) are the lead organisation to co-ordinate this project and the offer to support to a total of 5 GP practices in HMS (Haywards Heath) will be fully funded by members of the KSS AHSN Alliance for AF. Oberoi consulting will be funded to deliver the Enhance AF screening tool and AliveCor screening service in 5 GP practices in Haywards Heath through direct MEGS agreement that Oberoi have with Bayer. The cost and running the Enhance AF screening tool in the practices for the period of the pilot will be covered by AHSN Alliance AF Project Fund. The KARDIA AliveCor devices which will be left with the practice after the practice after the project. Cost to install ENHANCE AF package is £600 per practice. Then depending on follow up practice visits at £75 per visit, probably budget for 2 follow ups. AliveCor is £100 + VAT (£120) per surgery. £750 per practice plus the AliveCor at £120 = £870 per practice. Totalling £4350.	Kent Surrey and Sussex Academic Science Network	Approved
